

## Hauppauge WinTV-HVR-1100 Internal Hybrid TV PCI Tuner

WinTV-HVR-1100 brings analogue and digital terrestrial TV (DVB-T) to your PC! If you live in an area where you can receive Freeview digital TV, the WinTV-HVR-1100 supports digital TV watching, pause, recording and playback on your PC's screen. If you live in an area where you can't currently receive Freeview digital TV, the WinTV-HVR-1100 can still be used to watch and record analogue TV from cable or a TV aerial. But you are prepared for the future! When digital TV comes to your area, WinTV-HVR-1100 will also receive the digital TV channels. Freeview digital TV brings you sharper pictures, more TV choice and offers great stereo sound enriching your PC's multimedia experience. WinTV-HVR-1100's digital TV receiver adds great features to your TV watching: excellent digital video quality, near CD quality audio, automatic identification of channel names. You can record digital TV programs to your PC's hard disk in an MPEG-2 format without losing quality. Plus pause live TV with instant replay and get teletext reception. Receive analogue television over cable TV or terrestrial antenna, with great stereo audio. Record your TV shows in MPEG-1-VCD, MPEG-2-SVCD or MPEG-2-DVD. You can also receive analogue teletext!

DVB-T Radio is not DAB Radio. Three-in-one digital video recorder - Record your favourite analogue or digital TV shows with one simple click. Or record from VCR or camcorder. You can also use Hauppauge's WinTV Scheduler to schedule your TV recordings on a daily, weekly or once only schedule. Listen to analogue FM or DVB-T digital radio - The WinTV-HVR-1100 has both an FM radio receiver for over-the-air radio programmes, plus you can receive digital DVB-T\* radio (if available in your region). Watch and record videos from VCR's or camcorders - Attach an external video source and watch and record analogue video to disk. Camcorders, VCR's and other analogue video sources can be connected. Hauppauge's remote control makes WinTV-HVR-1100 easy to use - Change channel, adjust audio volume, start a recording, all from the Hauppauge remote control!

## Hauppauge WinTV-HVR-1100 Internal Hybrid TV PCI Tuner

### About Memory Express

Although we started out selling just Memory the best part of fifteen years ago, we have diversified organically over the years at the request of our customers. We specialise in Networking, Storage and Disaster Recovery and have the knowledge, experience and strategic partnerships to provide you with the service and value you demand - quality products, reasonably priced and delivered on time.

Memory Express can offer you a full range of installation and configuration services for hardware and software as well as detailed, accurate advice on all aspects of your IT projects. You'll be glad to know that we don't have a room full of school leavers trying to sell products they don't understand - all our staff are seasoned IT specialists and have an average length of service of over ten years. We won't just push you towards the solution we feel like selling; we'll help you to find the one you need.

Meanwhile, online, we offer one of the largest product ranges of any UK IT supplier. Showing near live stock, in depth product information and keen pricing, we're sure you'll find what you need. We also have matched memory upgrades for over 50,000 models of computer, server, printer, phone and camera, guaranteeing you the right memory, first time. All this is backed up by the same great service you'd expect when dealing with us over the phone. For our regular business customers, we provide T3, our corporate purchasing portal which provides a truly corporate focused buying experience.

We're conveniently located in Park Royal, London's Technology Business Park, allowing us to reach all areas of the UK quickly and efficiently. Many of our City based corporate clients benefit from same day delivery and we can offer next day delivery to established customers throughout the British Isles. Online delivery tracking and status information means that you need not worry about the whereabouts of your order.

We're proud to have built up a wide variety of partnerships with quality vendors and many of our staff hold certifications from top tier manufacturers including Microsoft, Acronis, Symantec and VMWare.

Our clients vary in size from SMEs to many of the UK's largest corporates, government departments, schools and universities, and we're pleased to say that most have been our customers for many, many years - we believe in long term business relationships, not turning a quick profit. Why not contact us now to see how we can help you get the quality of service they already enjoy?
