Lenovo ThinkCentre 160GB Hard Drive 7200rpm Serial ATA 8MB (Internal)

lenovo

Insist on a high-performance, massive storage solution that can complement your IBM ThinkCentre desktop system 's performance. Serial ATA is a storage interface for the latest computing platform.

Warranty	Three Year Customer Carry-in Exchange.
Drive Interface	SATA
Disk Capacity	160GB
Disk Speed	7200RPM
Enclosure type	Internal
Dimensions	10.2cm (W) x 14.7cm (D) x 2.6cm (H) - Weight 0.64kg

Features

- * The Serial ATA interface offers data transfer rates up to 150MB/sec (50% faster than the current parallel ATA interface) from a high performance 7200rpm hard disk drive
- * Improved cabling eliminates the current 18-inch cable length limit, and thinner cables improve cable routing and airflow through the system
- * Point-to-Point connections eliminate the need for Master/Slave settings on drives, simplifying the installation process
- * Better end-to-end error checking than with parallel ATA helps increase data integrity
- * Includes Self-Monitoring, Analysis and Reporting Technology (S.M.A.R.T.) which helps to predict and warn of some impending drive failures
- * Ontrack Disk Manager software included. This software prepares the drive for use, can migrate data from older, slower drives, and overcomes legacy hardware, BIOS, and operating system limitations
- * Reliable access to data -- ThinkCentre helps verify compatibility with testing which is among the most rigorous in the industry
- * Backed by renowned IBM Service and Support

About Memory Express

Although we started out selling just Memory the best part of fifteen years ago, we have diversified organically over the years at the request of our customers. We specialise in Networking, Storage and Disaster Recovery and have the knowledge, experience and strategic partnerships to provide you with the service and value you demand - quality products, reasonably priced and delivered on time.

Memory Express can offer you a full range of installation and configuration services for hardware and software as well as detailed, accurate advice on all aspects of your IT projects. You'll be glad to know that we don't have a room full of school leavers trying to sell products they don't understand - all our staff are seasoned IT specialists and have an average length of service of over ten years. We won't just push you towards the solution we feel like selling; we'll help you to find the one you need.

Meanwhile, online, we offer one of the largest product ranges of any UK IT supplier. Showing near live stock, in depth product information and keen pricing, we're sure you'll find what you need. We also have matched memory upgrades for over 50,000 models of computer, server, printer, phone and camera, guaranteeing you the right memory, first time. All this is backed up by the same great service you'd expect when dealing with us over the phone. For our regular business customers, we provide T3, our corporate purchasing portal which provides a truly corporate focused buying experience.

We're conveniently located in Park Royal, London's Technology Business Park, allowing us to reach all areas of the UK quickly and efficiently. Many of our City based corporate clients benefit from same day delivery and we can offer next day delivery to established customers throughout the British Isles. Online delivery tracking and status information means that you need not worry about the whereabouts of your order.

We're proud to have built up a wide variety of partnerships with quality vendors and many of our staff hold certifications from top tier manufacturers including Microsoft, Acronis, Symantec and VMWare.

Our clients vary in size from SMEs to many of the UK's largest corporates, government departments, schools and universities, and we're pleased to say that most have been our customers for many, many years - we believe in long term business relationships, not turning a quick profit. Why not contact us now to see how we can help you get the quality of service they already enjoy?
