Lenovo 1024MB 666MHz PC2-5300 DDR SDRAM (Non Parity)

lenovo

Fast Double Data Rate PC2-5300 memory offers data transfer rates up to 5300MB/sec to help increase the performance of memory intensive applications such as streaming video, graphics and CAD programs. Adding more memory is one of the least expensive ways to help boost overall desktop system performance and allows more multitasking which saves time and hassle.

Warranty	Three Years Customer Replaceable Unit.
Barcode	5051964002604
Memory Size	1024MB (1 module(s) x 1024MB)
Memory Speed	667MHz
Memory Package	DIMM
Designation	PC2-5300
Error Correction	Non Parity

Features

- * PC2-5300 DDR2 technology enables up to five times the memory performance of traditional SDRAM
- * Maximum data transfer rate of 5300 MB/sec
- * ThinkCentre testing ensures compatibility with ThinkCentre desktop systems
- * Only ThinkCentre memory will assume ThinkCentre desktop systems limited warranty
- * Strict ThinkCentre memory requirements and review of manufacturing processes delivers world class quality
- * PC2-5300 DDR2 modules are compatible when mixed with PC2-4200 and PC2-3200 DDR2 modules, but default to the lower speed

Specification

General

Fast Double Data Rate PC2-5300 memory offers data transfer rates up to 5300MB/sec to help increase the performance of memory intensive applications such as streaming video, graphics and CAD programs. Adding more memory is one of the least expensive ways to help boost overall desktop system performance and allows more multitasking which saves time and hassle.

About Memory Express

Although we started out selling just Memory the best part of fifteen years ago, we have diversified organically over the years at the request of our customers. We specialise in Networking, Storage and Disaster Recovery and have the knowledge, experience and strategic partnerships to provide you with the service and value you demand - quality products, reasonably priced and delivered on time.

Memory Express can offer you a full range of installation and configuration services for hardware and software as well as detailed, accurate advice on all aspects of your IT projects. You'll be glad to know that we don't have a room full of school leavers trying to sell products they don't understand - all our staff are seasoned IT specialists and have an average length of service of over ten years. We won't just push you towards the solution we feel like selling; we'll help you to find the one you need.

Meanwhile, online, we offer one of the largest product ranges of any UK IT supplier. Showing near live stock, in depth product information and keen pricing, we're sure you'll find what you need. We also have matched memory upgrades for over 50,000 models of computer, server, printer, phone and camera, guaranteeing you the right memory, first time. All this is backed up by the same great service you'd expect when dealing with us over the phone. For our regular business customers, we provide T3, our corporate purchasing portal which provides a truly corporate focused buying experience.

We're conveniently located in Park Royal, London's Technology Business Park, allowing us to reach all areas of the UK quickly and efficiently. Many of our City based corporate clients benefit from same day delivery and we can offer next day delivery to established customers throughout the British Isles. Online delivery tracking and status information means that you need not worry about the whereabouts of your order.

We're proud to have built up a wide variety of partnerships with quality vendors and many of our staff hold certifications from top tier manufacturers including Microsoft, Acronis, Symantec and VMWare.

Our clients vary in size from SMEs to many of the UK's largest corporates, government departments, schools and universities, and we're pleased to say that most have been our customers for many, many years - we believe in long term business relationships, not turning a quick profit. Why not contact us now to see how we can help you get the quality of service they already enjoy?
