Quantum LTO-2 HH Dual Tape Drive, 1U Rackmount, Wide Ultra 160 SCSI, 200 400GB w Software (Black)

Quantum

For budget and space-constrained IT environments, the Quantum LTO-2 HH provides exceptional performance and reliability in a half-height form factor. This intelligently designed 400GB solution protects your valuable data and conserves valuable space at a price you can afford. All with Quantum's exclusive reliability features including: SmartVerify virtually eliminates the need for a traditional verify pass during backup, reducing the backup window and increasing data integrity FastSense matches tape drive speed to that of the host, optimizing performance and increasing reliability Dynamic PowerDown protects the tape drive and data cartridge during unexpected power loss

LTO-2 HH tape drive solutions deliver compressed capacities of 400GB and backup speeds of up to 187GB/hr, all in a half-height form factor. They are read/write compatible to LTO-1 and provide seamless upgrades to LTO-3, for exceptional investment protection. Quantum 'Backup Ready' certified solutions allow you to go from box-to-backup in minutes with the highly reliable Quantum LTO-2 HH tape drive, world-class Backup Exec QuickStart software and durable Quantum media. 'Backup Ready' solutions are cost-effective, easy to install and fully-supported by Quantum. Choose the Quantum LTO-2 HH tape drive configuration that is right for your IT environment, a server-installable internal, convenient tabletop or space-efficient rackmount.

Warranty	Quantum provides a three-year Rapid Exchange warranty with the purchase of each LTO-2 HH standalone tape drive.
Barcode	0768268020504
Dimensions	44.96cm (W) x 50.8cm (D) x 4.3cm (H) - Weight 7.2kg

Features

- * Affordable tape backup solution for small and medium businesses
- * Backup ready solutions include Backup Exec QuickStart backup software plus a data and cleaning cartridge for a total backup package
- * Fastest LTO-2 HH - up to 187GB/hr
- * Most reliable tape drive with features exclusive to Quantum - SmartVerify, MediaShield, Dynamic PowerDown, FastSense
- * Flexible internal, tabletop and 1U rackmount configurations

Attributes

Tape Media Format LTO-2 (Ultrium-2)

Capacity Uncompressed 200GB

Capacity Compressed 400GB

Performance

Uncompressed Transfer Rate (Sustain) 3.6GB/hr

Compressed Transfer Rate (Sustain) 187GB/hr

MTBF 250,000

Interfaces Ports

Interface Ultra160 SCSI

System

Software Compatibility BakBone, Computer Associates, Dantz, NovaStor, VERITAS and Yosemite Technologies

Software Included Backup Exec QuickStart software

System Requirements

Operating Systems Supported Windows Desktop, Windows Server, Novell NetWare, Unix, Linux, Mac OS

Electrical

Power Requirements +5V, +12V

About Memory Express

Although we started out selling just Memory the best part of fifteen years ago, we have diversified organically over the years at the request of our customers. We specialise in Networking, Storage and Disaster Recovery and have the knowledge, experience and strategic partnerships to provide you with the service and value you demand - quality products, reasonably priced and delivered on time.

Memory Express can offer you a full range of installation and configuration services for hardware and software as well as detailed, accurate advice on all aspects of your IT projects. You'll be glad to know that we don't have a room full of school leavers trying to sell products they don't understand - all our staff are seasoned IT specialists and have an average length of service of over ten years. We won't just push you towards the solution we feel like selling; we'll help you to find the one you need.

Meanwhile, online, we offer one of the largest product ranges of any UK IT supplier. Showing near live stock, in depth product information and keen pricing, we're sure you'll find what you need. We also have matched memory upgrades for over 50,000 models of computer, server, printer, phone and camera, guaranteeing you the right memory, first time. All this is backed up by the same great service you'd expect when dealing with us over the phone. For our regular business customers, we provide T3, our corporate purchasing portal which provides a truly corporate focused buying experience.

We're conveniently located in Park Royal, London's Technology Business Park, allowing us to reach all areas of the UK quickly and efficiently. Many of our City based corporate clients benefit from same day delivery and we can offer next day delivery to established customers throughout the British Isles. Online delivery tracking and status information means that you need not worry about the whereabouts of your order.

We're proud to have built up a wide variety of partnerships with quality vendors and many of our staff hold certifications from top tier manufacturers including Microsoft, Acronis, Symantec and VMWare.

Our clients vary in size from SMEs to many of the UK's largest corporates, government departments, schools and universities, and we're pleased to say that most have been our customers for many, many years - we believe in long term business relationships, not turning a quick profit. Why not contact us now to see how we can help you get the quality of service they already enjoy?
