Zebra LP 2844 Desktop Thermal Printer, 203 dpi / 8 dot, 104mm Print Width, 102mm Print Speed, 0.256MB Ram, 0.512MB Flash, EPL, Serial, Parallel, USB,STD +Cutter

The direct thermal LP 2844 bar code label printer is ideal for applications requiring a space-saving, desktop-size, 4.09 (104 mm) printer. This user-friendly printer delivers optimal performance in today's on-demand desktop labeling applications. The LP 2844 has a sturdy construction with a double-walled ABS casing. The LP 2844 integrates easily into a variety of printing applications, including shipping and receiving, inventory control, healthcare, and medical laboratories, transportation and logistics, and e-commerce postage. Serial, parallel, and USB interfaces, and an optional internal Ethernet (ZebraNet PrintServer II), make this flexible, reliable, and affordable printer a smart investment.

The LP two-inch (56mm) on-demand thermal printers are designed for labels, receipts, tags and wristbands. They offer several advanced features that provide great performance at an affordable price.

Mono or Colour Printer	Mono
Printer Resolution True	203dpi x 203dpi
Speed Monochrome	102mm per second
Paper Size	104mm x 279mm
Dimensions	20.1cm (W) x 23.8cm (D) x 17.0cm (H) - Weight 1.4kg

Features

∗ **Print method: Direct thermal (LP)**

∗ **Construction: ABS double-walled casing**

∗ **OpenACCESS design**

∗ **Head-up sensor**

∗ **Windows drivers (95, 98, Me, NT4.0, NT2000, XP)**

∗ **Windows printer utilities**

Specification

General

The direct thermal LP 2844 bar code label printer is ideal for applications requiring a space-saving, desktop-size, 4.09 (104 mm) printer. This user-friendly printer delivers optimal performance in today's on-demand desktop labeling applications. The LP 2844 has a sturdy construction with a double-walled ABS casing. The LP 2844 integrates easily into a variety of printing applications, including shipping and receiving, inventory control, healthcare, and medical laboratories, transportation and logistics, and e-commerce postage. Serial, parallel, and USB interfaces, and an optional internal Ethernet (ZebraNet PrintServer II), make this flexible, reliable, and affordable printer a smart investment.

About Memory Express

Although we started out selling just Memory the best part of fifteen years ago, we have diversified organically over the years at the request of our customers. We specialise in Networking, Storage and Disaster Recovery and have the knowledge, experience and strategic partnerships to provide you with the service and value you demand - quality products, reasonably priced and delivered on time.

Memory Express can offer you a full range of installation and configuration services for hardware and software as well as detailed, accurate advice on all aspects of your IT projects. You'll be glad to know that we don't have a room full of school leavers trying to sell products they don't understand - all our staff are seasoned IT specialists and have an average length of service of over ten years. We won't just push you towards the solution we feel like selling; we'll help you to find the one you need.

Zebra LP 2844 Desktop Thermal Printer, 203 dpi / 8 dot, 104mm Print Width, 102mm Print Speed, 0.256MB Ram, 0.512MB Flash, EPL, Serial, Parallel, USB,STD +Cutter

Meanwhile, online, we offer one of the largest product ranges of any UK IT supplier. Showing near live stock, in depth product information and keen pricing, we're sure you'll find what you need. We also have matched memory upgrades for over 50,000 models of computer, server, printer, phone and camera, guaranteeing you the right memory, first time. All this is backed up by the same great service you'd expect when dealing with us over the phone. For our regular business customers, we provide T3, our corporate purchasing portal which provides a truly corporate focused buying experience.

We're conveniently located in Park Royal, London's Technology Business Park, allowing us to reach all areas of the UK quickly and efficiently. Many of our City based corporate clients benefit from same day delivery and we can offer next day delivery to established customers throughout the British Isles. Online delivery tracking and status information means that you need not worry about the whereabouts of your order.

We're proud to have built up a wide variety of partnerships with quality vendors and many of our staff hold certifications from top tier manufacturers including Microsoft, Acronis, Symantec and VMWare.

Our clients vary in size from SMEs to many of the UK's largest corporates, government departments, schools and universities, and we're pleased to say that most have been our customers for many, many years - we believe in long term business relationships, not turning a quick profit. Why not contact us now to see how we can help you get the quality of service they already enjoy?
