

Epson Stylus Pro 3880 17 inch (A2) 9 Colour Desktop Wide Format Inkjet Printer

No Image Available

The professional A2+ large format printer that's compact enough to fit easily on your desktop. Print superb, long-lasting photos in colour and black and white on a range of media using Epson UltraChrome K3 Ink with Vivid Magenta. Epson UltraChrome K3 Ink with Vivid Magenta uses 9 pigment inks to give your prints a very wide colour gamut and exceptional light fastness. Three levels of black deliver a perfectly balanced grey scale and smooth tonal gradations, and auto-switching between optimised photo and matte black gives you the best results on your chosen media. Produce borderless photos from 4 inch up to 17 inch wide and any length you define, up to 37.4 inch. Print on a wide variety of photo, fine art and proofing media, and add flexibility with three cut-sheet paper paths that handle media and posterboard up to 1.5 mm in thickness. This is perfect for POS applications and with the compact footprint retailers can easily fit this printer in store or office. The Epson Stylus Pro 3880 is also ideal for remote proofing. Prints are so consistent that you can sign-off proofs quickly, certain that what you see is what you will get in the final print run. With the excellent colour stability and light fastness of Epson UltraChrome K3 Ink with Vivid Magenta, you can create long-lasting prints to sell or exhibit.

Exceptional accuracy ensures that each reprint will match the first, even if printed months apart.

About Memory Express

Although we started out selling just Memory the best part of fifteen years ago, we have diversified organically over the years at the request of our customers. We specialise in Networking, Storage and Disaster Recovery and have the knowledge, experience and strategic partnerships to provide you with the service and value you demand - quality products, reasonably priced and delivered on time.

Memory Express can offer you a full range of installation and configuration services for hardware and software as well as detailed, accurate advice on all aspects of your IT projects. You'll be glad to know that we don't have a room full of school leavers trying to sell products they don't understand - all our staff are seasoned IT specialists and have an average length of service of over ten years. We won't just push you towards the solution we feel like selling; we'll help you to find the one you need.

Meanwhile, online, we offer one of the largest product ranges of any UK IT supplier. Showing near live stock, in depth product information and keen pricing, we're sure you'll find what you need. We also have matched memory upgrades for over 50,000 models of computer, server, printer, phone and camera, guaranteeing you the right memory, first time. All this is backed up by the same great service you'd expect when dealing with us over the phone. For our regular business customers, we provide T3, our corporate purchasing portal which provides a truly corporate focused buying experience.

We're conveniently located in Park Royal, London's Technology Business Park, allowing us to reach all areas of the UK quickly and efficiently. Many of our City based corporate clients benefit from same day delivery and we can offer next day delivery to established customers throughout the British Isles. Online delivery tracking and status information means that you need not worry about the whereabouts of your order.

We're proud to have built up a wide variety of partnerships with quality vendors and many of our staff hold certifications from top tier manufacturers including Microsoft, Acronis, Symantec and VMWare.

Our clients vary in size from SMEs to many of the UK's largest corporates, government departments, schools and universities, and we're pleased to say that most have been our customers for many, many years - we believe in long term business relationships, not turning a quick profit. Why not contact us now to see how we can help you get the quality of service they already enjoy?
