Zebra 140Xi4 High Performance Thermal Printer 203dpi 8 dot, 128mm Print Width, 16MB SDRAM, 8MB Flash, ZPL, USB, Parallel, ZebraNet 10 100 Print Server AIP 5V

Another addition to Zebras Xi4 product line is the 140Xi4. Built on the proven Xi series platform that is known for rugged durability and performance, the Xi4 brings several additional features to high-volume, mission-critical applications and environments that require 24 x 7 operations. Building on these high-performance hallmarks, the Xi4 now provides several new features and benefits: Increased print speeds up to 14 inch/356 mm per second for increased batch and print/apply productivity LCD content customizable to user needs Large, easy to use, multilingual LCD screen Flexible connectivity including simultaneous parallel/Ethernet with internal Ethernet included as standard in the product Advanced ribbon- and media-low LCD/e-mail alerts Intelligent printhead system Zebra's 140Xi4 for print widths up to 5 inch (128 mm) gets the job done fast, printing at up to 14 inch(356 mm) per secondone of the fastest technologies on the market. The 140Xi4 is also well-suited for applications in which labels are required quickly, on demand or in batches.

Mono or Colour Printer	Mono
Printer Resolution True	203dpi x 203dpi
Network Interface	ZebraNet 10/100 Print Server
Dimensions	28.73cm (W) x 51.75cm (D) x 39.37cm (H) - Weight 25.0kg

Features

* **Print methods: Thermal transfer or direct thermal**
* **Construction: 12-gauge steel frame**
* **Single 32 bit 133 Mhz RISC processor**
* **16 MB SDRAM; 8 MB non-volatile Flash memory**
* **Automatic media/ribbon sensing capability**
* **Improved head test for element out**
* **Auto calibration**
* **Clear media side door for ease of supplies monitoring**
* **300 unique darkness settings**
* **RS-232, Parallel ports**
* **USB 2.0 port**

Zebra 140Xi4 High Performance Thermal Printer 203dpi 8 dot, 128mm Print Width, 16MB SDRAM, 8MB Flash, ZPL, USB, Parallel, ZebraNet 10 100 Print Server AIP 5V

Technology	Thermal
Print Method	Thermal Transfer
Printer Resolution True	203dpi x 203dpi

Paper Handling

Media Supported	continuous, black mark, roll-fed, die-cut, fanfold

CPU

CPU Type	32 bit RISC processor 133MHz

Memory

Memory Size	16MB SDRAM
Flash (ROM)	8MB

Interfaces Ports

USB Ports	1 x USB 2.0
Serial Ports	1 x RS232C
Parallel Ports	1 x Parallel Port

Network

Network Interface	ZebraNet 10/100 Print Server

System

Supported Bar Codes/Symbologies	Linear: Codabar Code 11 Code 128 with subsets A/B/C and UCC case codes Code 39 Code 93 EAN-13 EAN-8 ISBT-128 Industrial 2-of-5 Interleaved 2-of-5 Logmars MSI Planet Code Plessey Postnet Standard 2-of-5 UPC and EAN 2 or 5 digit extensions UPC-A UPC-E 2-Dimensional: Aztec Codablock Code 49 Data Matrix MaxiCode MicroPDF PDF417 QR Code (requires Asian version printer) RSS / GS1 DataBar family (12 barcodes) TLC 39
Printer Languages	ZPL, ZPL II
Font Capabilities	Bitmap fonts A through H and GS symbols are expandable up to 10 times, height and width independent Smooth scalable font (CG Triumvirate Bold Condensed) is expandable dot-by-dot, height and width independent IBM Code Page 850 International Characters

About Memory Express

Although we started out selling just Memory the best part of fifteen years ago, we have diversified organically over the years at the request of our customers. We specialise in Networking, Storage and Disaster Recovery and have the knowledge, experience and strategic partnerships to provide you with the service and value you demand - quality products, reasonably priced and delivered on time.

Memory Express can offer you a full range of installation and configuration services for hardware and software as well as detailed, accurate advice on all aspects of your IT projects. You'll be glad to know that we don't have a room full of school leavers trying to sell products they don't understand - all our staff are seasoned IT specialists and have an average length of service of over ten years. We won't just push you towards the solution we feel like selling; we'll help you to find the one you need.

Meanwhile, online, we offer one of the largest product ranges of any UK IT supplier. Showing near live stock, in depth product information and keen pricing, we're sure you'll find what you need. We also have matched memory upgrades for over 50,000 models of computer, server, printer, phone and camera, guaranteeing you the right memory, first time. All this is backed up by the same great service you'd expect when dealing with us over the phone. For our regular business customers, we provide T3, our corporate purchasing portal which provides a truly corporate focused buying experience.

We're conveniently located in Park Royal, London's Technology Business Park, allowing us to reach all areas of the UK quickly and efficiently. Many of our City based corporate clients benefit from same day delivery and we can offer next day delivery to established customers throughout the British Isles. Online delivery tracking and status information means that you need not worry about the whereabouts of your order.

We're proud to have built up a wide variety of partnerships with quality vendors and many of our staff hold certifications from top tier manufacturers including Microsoft, Acronis, Symantec and VMWare.

Our clients vary in size from SMEs to many of the UK's largest corporates, government departments, schools and universities, and we're pleased to say that most have been our customers for many, many years - we believe in long term business relationships, not turning a quick profit. Why not contact us now to see how we can help you get the quality of service they already enjoy?
