LiteOn eHBU212 Blu-ray 12X Writer (External) Optical Drive

Optical storage innovator LiteOn announces today the introduction of their first external Blu-ray Disc Writer: eHBU212. The eHBU212 is an ultra-fast USB 3.0 external Blu-ray write that can write Blu-ray discs at 12x speed. The eHBU212 is a fast external Blu-ray writer that lets you store high-resolution photographs, share your HD videos, backup personal data, store downloads, and free plenty of hard drive space. Using the latest USB 3.0 interface, a generous buffer, and an ultra-fast 12x speed burning system the drive has been created to burn high capacity Blu-ray discs in the quickest possible time. With a storage capacity of up to 50 GB on a double-layer Blu-ray disc (25 GB on single layer) the eHBU212 plugs into any USB port to store the equivalent of 10 average DVDs or 77 average CDs on just one Blu-ray disc. USB 3.0, the newest USB standard, gives the drive a super fast connection to the computer ensuring that the eHBU212 delivers the shortest burn times and fastest disc reads. In addition to quickly burning DVDs and Blu-ray discs the drive can transform any suitably specified laptop or desktop into a complete Blu-ray player. The drive is equipped with CyberLink Blu-ray Suite: this gives you the chance to enjoy the latest movies in vibrant, rich 1920 x 1080p high definition with superb audio.

Furthermore all the applications you need for easy disc burning, DVD video editing, backup, and advanced disc burning are provided as well. With the added LightScribe technology you can create and burn your personalized designs onto the labels of LightScribe compatible DVDs and CDs. 'With the eHBU212, LiteOn is launching its first external Blu-ray writer to the market and with that is further extending its Blu-ray portfolio', says Maarten Souren, Marketing Manager at LiteOn. 'The convenient external design enables end users to easily upgrade their laptops, desktops, or home theater PCs to Blu-ray without buying a new computer', adds Souren. Whether you're a digital photographer, a HD video enthusiast, or just a normal computer user you'll find the quick eHBU212 indispensable for high capacity storage. The LiteOn eHBU212 delivers ultra-fast USB 3.0 Blu-ray burning and amazing movie playback in a convenient external drive.

About Memory Express

Although we started out selling just Memory the best part of fifteen years ago, we have diversified organically over the years at the request of our customers. We specialise in Networking, Storage and Disaster Recovery and have the knowledge, experience and strategic partnerships to provide you with the service and value you demand - quality products, reasonably priced and delivered on time.

Memory Express can offer you a full range of installation and configuration services for hardware and software as well as detailed, accurate advice on all aspects of your IT projects. You'll be glad to know that we don't have a room full of school leavers trying to sell products they don't understand - all our staff are seasoned IT specialists and have an average length of service of over ten years. We won't just push you towards the solution we feel like selling; we'll help you to find the one you need.

Meanwhile, online, we offer one of the largest product ranges of any UK IT supplier. Showing near live stock, in depth product information and keen pricing, we're sure you'll find what you need. We also have matched memory upgrades for over 50,000 models of computer, server, printer, phone and camera, guaranteeing you the right memory, first time. All this is backed up by the same great service you'd expect when dealing with us over the phone. For our regular business customers, we provide T3, our corporate purchasing portal which provides a truly corporate focused buying experience.

We're conveniently located in Park Royal, London's Technology Business Park, allowing us to reach all areas of the UK quickly and efficiently. Many of our City based corporate clients benefit from same day delivery and we can offer next day delivery to established customers throughout the British Isles. Online delivery tracking and status information means that you need not worry about the whereabouts of your order.

We're proud to have built up a wide variety of partnerships with quality vendors and many of our staff hold certifications from top tier manufacturers including Microsoft, Acronis, Symantec and VMWare.

Our clients vary in size from SMEs to many of the UK's largest corporates, government departments, schools and universities, and we're pleased to say that most have been our customers for many, many years - we believe in long term business relationships, not turning a quick profit. Why not contact us now to see how we can help you get the quality of service they already enjoy?
