## **Epson Large Format Semi Matte Proofing Paper Roll (43.18cm x 30.5m) 256gsm**

No Image  
Available

Created and engineered specifically to work with our UltraChrome K3 ink, this paper provides excellent short term stability for exacting proofing standards, with base colour and gloss level designed to match commercial press applications. Designed with 250m naturally bright white base, Epson Proofing Paper White Semimatte is free of optical brighteners and ideally suited for proofing a wide variety of colour critical commercial offset printing applications. It is most commonly used in high-end sheetfed printed products such as brochures, collateral, book covers and posters. Coated to exacting standards, Proofing Paper White Semimatte is specifically optimised for proofing applications using Epson UltraChrome K3 ink and displays outstanding short term stability. Its weight, base tint, and wide colour gamut makes this the perfect choice for commercial proofing applications. Like all Epson's innovative media, this paper is engineered to give you the highest resolution and colour saturation possible. As always, Epson supplies guarantee Epson quality.

**Dimensions** 12.0cm (W) x 8.0cm (D) x 10.5cm (H) - Weight 5.3kg

### **Features**

- \* **Ink compatibility:** Designed specifically for use with Epson UltraChrome K3 Ink

### **About Memory Express**

Although we started out selling just Memory the best part of fifteen years ago, we have diversified organically over the years at the request of our customers. We specialise in Networking, Storage and Disaster Recovery and have the knowledge, experience and strategic partnerships to provide you with the service and value you demand - quality products, reasonably priced and delivered on time.

Memory Express can offer you a full range of installation and configuration services for hardware and software as well as detailed, accurate advice on all aspects of your IT projects. You'll be glad to know that we don't have a room full of school leavers trying to sell products they don't understand - all our staff are seasoned IT specialists and have an average length of service of over ten years. We won't just push you towards the solution we feel like selling; we'll help you to find the one you need.

Meanwhile, online, we offer one of the largest product ranges of any UK IT supplier. Showing near live stock, in depth product information and keen pricing, we're sure you'll find what you need. We also have matched memory upgrades for over 50,000 models of computer, server, printer, phone and camera, guaranteeing you the right memory, first time. All this is backed up by the same great service you'd expect when dealing with us over the phone. For our regular business customers, we provide T3, our corporate purchasing portal which provides a truly corporate focused buying experience.

We're conveniently located in Park Royal, London's Technology Business Park, allowing us to reach all areas of the UK quickly and efficiently. Many of our City based corporate clients benefit from same day delivery and we can offer next day delivery to established customers throughout the British Isles. Online delivery tracking and status information means that you need not worry about the whereabouts of your order.

We're proud to have built up a wide variety of partnerships with quality vendors and many of our staff hold certifications from top tier manufacturers including Microsoft, Acronis, Symantec and VMWare.

Our clients vary in size from SMEs to many of the UK's largest corporates, government departments, schools and universities, and we're pleased to say that most have been our customers for many, many years - we believe in long term business relationships, not turning a quick profit. Why not contact us now to see how we can help you get the quality of service they already enjoy?
