

## Epson EB-X12 3LCD Projector 3000:1 2800 Lumens 1024x768 2.3kg

No Image  
Available

Deliver engaging, high-quality presentations with this affordable, easy-to-use projector that comes with a wide range of smart features. Make your budget go further with the EB-X12 - the high-quality XGA projector with a wide range of features and an affordable price tag. With an equally high White and Colour Light Output of 2,800 lumens, you can even present in daylight. The 3,000:1 contrast ratio ensures sharper detail. Aligning the picture is quick and easy with automatic vertical keystone correction and an innovative horizontal keystone slider that's unique to Epson. The horizontal keystone slider is an innovative and intuitive new design feature from Epson, making it easy to adjust images to the correct shape when the projector is placed at an angle to the screen. With Epson's 3-in-1 USB Display feature, one cable is all you need for picture, sound and page up/down control. Alternatively, the PC-free function lets you present still photos directly from a USB stick without powering up your computer. Capture the attention of your audience by directly plugging in the optional ELPDC06 USB Visualiser to give a close-up view of documents and 3D objects, eliminating the need for photocopies. The HDMI input lets you display high-definition content, while a built-in 2W speaker ensures audio is delivered with clarity.

This affordable projector has many features usually found on more expensive models, so businesses can deliver first-class presentations without breaking the budget. A long lamp life of 5,000 hours\* (eco mode) keeps running costs low. The projector is compact and lightweight with a modern design, and offers the flexibility of both installation and mobile use. Weighing in at only 2.3kg, it's light enough to carry between meeting rooms with the included carrying bag.

<b>Warranty</b>	Projector: 2 Years Lamp: 1 Year
<b>Resolution (Native)</b>	XGA (1024 x 768 Pixels)

### About Memory Express

Although we started out selling just Memory the best part of fifteen years ago, we have diversified organically over the years at the request of our customers. We specialise in Networking, Storage and Disaster Recovery and have the knowledge, experience and strategic partnerships to provide you with the service and value you demand - quality products, reasonably priced and delivered on time.

Memory Express can offer you a full range of installation and configuration services for hardware and software as well as detailed, accurate advice on all aspects of your IT projects. You'll be glad to know that we don't have a room full of school leavers trying to sell products they don't understand - all our staff are seasoned IT specialists and have an average length of service of over ten years. We won't just push you towards the solution we feel like selling; we'll help you to find the one you need.

Meanwhile, online, we offer one of the largest product ranges of any UK IT supplier. Showing near live stock, in depth product information and keen pricing, we're sure you'll find what you need. We also have matched memory upgrades for over 50,000 models of computer, server, printer, phone and camera, guaranteeing you the right memory, first time. All this is backed up by the same great service you'd expect when dealing with us over the phone. For our regular business customers, we provide T3, our corporate purchasing portal which provides a truly corporate focused buying experience.

We're conveniently located in Park Royal, London's Technology Business Park, allowing us to reach all areas of the UK quickly and efficiently. Many of our City based corporate clients benefit from same day delivery and we can offer next day delivery to established customers throughout the British Isles. Online delivery tracking and status information means that you need not worry about the whereabouts of your order.

We're proud to have built up a wide variety of partnerships with quality vendors and many of our staff hold certifications from top tier manufacturers including Microsoft, Acronis, Symantec and VMWare.

Our clients vary in size from SMEs to many of the UK's largest corporates, government departments, schools and universities, and we're pleased to say that most have been our customers for many, many years - we believe in long term business relationships, not turning a quick profit. Why not contact us now to see how we can help you get the quality of service they already enjoy?
