AXIS M1113-E Network Camera (White)

The AXIS M1113-E Network Camera has a CS-mount, varifocal, DC-iris lens and provides excellent image quality without motion blur using progressive scan at 30 frames per second in SVGA resolution. Multiple H.264 streams, as well as Motion JPEG streams, can be provided either in full frame rate or individually optimized for different quality needs and bandwidth constraints. The camera is easy to install outdoors thanks to Power over Ethernet support, a removable sunshield and a wall bracket. It has protection against dust, rain, snow and sun and the operating conditions ranges between -20C to +50C (-4 F to 122 F) and requires no additional heater. The casing is made of UV resistant polymer and requires no additional heater. Wall brackets and a removable sunshield are included in the package. Other mounting brackets are available as accessories.

Barcode	733102103410
CCD Size	1/4 Inches
Varifocal	Yes
Memory Size	128MB (RAM)
Flash Memory	128MB
Case Colour	White

Features

∗ **Excellent image quality**

∗ **Varifocal DC-iris lens**

∗ **Multiple H.264 streams**

∗ **Power over Ethernet**

∗ **Easy installation with pixel counter**

∗ **Outdoor-ready, IP66 rating**

Specification

General

The AXIS M1113-E Network Camera has a CS-mount, varifocal, DC-iris lens and provides excellent image quality without motion blur using progressive scan at 30 frames per second in SVGA resolution. Multiple H.264 streams, as well as Motion JPEG streams, can be provided either in full frame rate or individually optimized for different quality needs and bandwidth constraints. The camera is easy to install outdoors thanks to Power over Ethernet support, a removable sunshield and a wall bracket. It has protection against dust, rain, snow and sun and the operating conditions ranges between -20C to +50C (-4 F to 122 F) and requires no additional heater. The casing is made of UV resistant polymer and requires no additional heater. Wall brackets and a removable sunshield are included in the package. AXIS M1113-E Network Camera (White)

Barcode	733102103410

Image Device

Image Sensor	CMOS
CCD Size	1/4 Inches
Image Compression	Motion JPEG

Lens

Varifocal	Yes
Aperture	F1.4

Exposure/Balance

Minimum Illumination	0.6 lux (lx)

Video

Supported Video File Formats	MPEG-4, H.264
Video Resolution	800x600 to 160x90
Frame Rates	30 Per Second

CPU

Processor	Artpec-3

Memory

Memory Size	128MB (RAM)
Flash Memory	128MB

Interfaces/Ports

RJ-45 Ports	1 x RJ-45

Network

Network Protocol	IPv4/v6, HTTP, HTTPS∗∗, QoS Layer 3 DiffServ, FTP, SMTP, Bonjour, UPnP, SNMPv1/v2c/v3(MIB-II), DNS, DynDNS, NTP, RTSP, RTP, TCP, UDP, IGMP, RTCP, ICMP, DHCP, ARP, SOCKS

About Memory Express

Although we started out selling just Memory the best part of fifteen years ago, we have diversified organically over the years at the request of our customers. We specialise in Networking, Storage and Disaster Recovery and have the knowledge, experience and strategic partnerships to provide you with the service and value you demand - quality products, reasonably priced and delivered on time.

Memory Express can offer you a full range of installation and configuration services for hardware and software as well as detailed, accurate advice on all aspects of your IT projects. You'll be glad to know that we don't have a room full of school leavers trying to sell products they don't understand - all our staff are seasoned IT specialists and have an average length of service of over ten years. We won't just push you towards the solution we feel like selling; we'll help you to find the one you need.

Meanwhile, online, we offer one of the largest product ranges of any UK IT supplier. Showing near live stock, in depth product information and keen pricing, we're sure you'll find what you need. We also have matched memory upgrades for over 50,000 models of computer, server, printer, phone and camera, guaranteeing you the right memory, first time. All this is backed up by the same great service you'd expect when dealing with us over the phone. For our regular business customers, we provide T3, our corporate purchasing portal which provides a truly corporate focused buying experience.

We're conveniently located in Park Royal, London's Technology Business Park, allowing us to reach all areas of the UK quickly and efficiently. Many of our City based corporate clients benefit from same day delivery and we can offer next day delivery to established customers throughout the British Isles. Online delivery tracking and status information means that you need not worry about the whereabouts of your order.

We're proud to have built up a wide variety of partnerships with quality vendors and many of our staff hold certifications from top tier manufacturers including Microsoft, Acronis, Symantec and VMWare.

Our clients vary in size from SMEs to many of the UK's largest corporates, government departments, schools and universities, and we're pleased to say that most have been our customers for many, many years - we believe in long term business relationships, not turning a quick profit. Why not contact us now to see how we can help you get the quality of service they already enjoy?
