SONY

No Image
Available

SEL50F18 E50mm F1.8 portrait lens. Bright, very high quality portrait lens with Optical SteadyShot. E50mm F1.8 portrait lens. Only compatible with E-mount cameras. Take beautiful portraits in available light. Optical SteadyShot for crisper handheld images. Smooth, quiet autofocus with stills or HD movies.

Dimensions

Weight 0.202kg

Features

- * Bright, wide aperture lens with 50mm fixed focal length, ideal for portraits and general photography
- * F1.8 maximum aperture allows creation of smooth background defocus effects (bokeh) - ideal for flattering your portrait subject
- * Stylish, light and easy to carry with high quality aluminium alloy finish on barrel
- * Optical SteadyShot image stabilisation within lens for crisp, stable handheld portraits. Silent mechanism during movie recording
- * Wide aperture and Optical SteadyShot make lens highly suitable for atmospheric handheld portraits without flash in dim light
- * Innovative optical design achieves clear, high-quality images with minimised distortion and chromatic aberration
- * Smooth, quiet, high speed autofocus with linear motor - ideal for HD movie shooting
- * Direct Manual Focus disengages AF motor for precise, fine manual focusing control
- * 7-blade circular aperture for beautiful defocus effects

About Memory Express

Although we started out selling just Memory the best part of fifteen years ago, we have diversified organically over the years at the request of our customers. We specialise in Networking, Storage and Disaster Recovery and have the knowledge, experience and strategic partnerships to provide you with the service and value you demand - quality products, reasonably priced and delivered on time.

Memory Express can offer you a full range of installation and configuration services for hardware and software as well as detailed, accurate advice on all aspects of your IT projects. You'll be glad to know that we don't have a room full of school leavers trying to sell products they don't understand - all our staff are seasoned IT specialists and have an average length of service of over ten years. We won't just push you towards the solution we feel like selling; we'll help you to find the one you need.

Meanwhile, online, we offer one of the largest product ranges of any UK IT supplier. Showing near live stock, in depth product information and keen pricing, we're sure you'll find what you need. We also have matched memory upgrades for over 50,000 models of computer, server, printer, phone and camera, guaranteeing you the right memory, first time. All this is backed up by the same great service you'd expect when dealing with us over the phone. For our regular business customers, we provide T3, our corporate purchasing portal which provides a truly corporate focused buying experience.

We're conveniently located in Park Royal, London's Technology Business Park, allowing us to reach all areas of the UK quickly and efficiently. Many of our City based corporate clients benefit from same day delivery and we can offer next day delivery to established customers throughout the British Isles. Online delivery tracking and status information means that you need not worry about the whereabouts of your order.

We're proud to have built up a wide variety of partnerships with quality vendors and many of our staff hold certifications from top tier manufacturers including Microsoft, Acronis, Symantec and VMWare.

Our clients vary in size from SMEs to many of the UK's largest corporates, government departments, schools and universities, and we're pleased to say that most have been our customers for many, many years - we believe in long term business relationships, not turning a quick profit. Why not contact us now to see how we can help you get the quality of service they already enjoy?
