StarTech.com (15 Meter) High Speed HDMI Cable - HDMI - M M

No Image
Available

The HDMM15M 15-meter High Speed HDMI cable features 2 gold-plated HDMI (male) connectors and durable high quality construction to provide a dependable HDMI to HDMI connection between devices such as Blu-Ray players, HDTVs, DVD Players, stereo receivers and more. This high quality HDMI cable fully supports 1080p+ resolutions at up to 120Hz refresh rate, with life-like colour; to accomodate the demands of future high definition devices, such as increased resolutions and higher frame rates, our HDMI cables can support bandwidth up to 340 MHz (10.2 Gbps) and display resolutions of up to 1440p. The HDMM15M HDMI cable is backed by StarTech.com's Lifetime Warranty. StarTech.com High Speed HDMI digital video and audio cables are expertly designed and constructed of only top quality materials to ensure high quality, high definition performance. The HDMI standard combines high bandwidth video and multi-channel digital audio into a single cable, and provides crystal clear image resolution. Gold-plated connectors help prevent corrosion, to ensure a high quality HDMI connection. Molded HDMI connectors with strain relief maintain durable, error-free audio-video performance. Backed by StarTech.com's lifetime warranty. Connecting high-definition A/V devices such as Blu-Ray Disc players, HDTVs, DVD Players, DVRs, game consoles etc. A convenient, single-cable solution for connecting high-definition set-top boxes, A/V receivers.

About Memory Express

Although we started out selling just Memory the best part of fifteen years ago, we have diversified organically over the years at the request of our customers. We specialise in Networking, Storage and Disaster Recovery and have the knowledge, experience and strategic partnerships to provide you with the service and value you demand - quality products, reasonably priced and delivered on time.

Memory Express can offer you a full range of installation and configuration services for hardware and software as well as detailed, accurate advice on all aspects of your IT projects. You'll be glad to know that we don't have a room full of school leavers trying to sell products they don't understand - all our staff are seasoned IT specialists and have an average length of service of over ten years. We won't just push you towards the solution we feel like selling; we'll help you to find the one you need.

Meanwhile, online, we offer one of the largest product ranges of any UK IT supplier. Showing near live stock, in depth product information and keen pricing, we're sure you'll find what you need. We also have matched memory upgrades for over 50,000 models of computer, server, printer, phone and camera, guaranteeing you the right memory, first time. All this is backed up by the same great service you'd expect when dealing with us over the phone. For our regular business customers, we provide T3, our corporate purchasing portal which provides a truly corporate focused buying experience.

We're conveniently located in Park Royal, London's Technology Business Park, allowing us to reach all areas of the UK quickly and efficiently. Many of our City based corporate clients benefit from same day delivery and we can offer next day delivery to established customers throughout the British Isles. Online delivery tracking and status information means that you need not worry about the whereabouts of your order.

We're proud to have built up a wide variety of partnerships with quality vendors and many of our staff hold certifications from top tier manufacturers including Microsoft, Acronis, Symantec and VMWare.

Our clients vary in size from SMEs to many of the UK's largest corporates, government departments, schools and universities, and we're pleased to say that most have been our customers for many, many years - we believe in long term business relationships, not turning a quick profit. Why not contact us now to see how we can help you get the quality of service they already enjoy?
