StarTech.com (3 feet) 1s1p USB to Serial Parallel Port Adaptor Cable

No Image
Available

The ICUSB2321284 1S1P USB to Serial/Parallel Adapter Cable enables you to connect DB9 RS232 serial devices and IEEE 1284 parallel devices to your PC or Linux laptop or desktop computer, through a single USB port, as though the computer offered onboard connectors. An innovative solution, the adapter cable features both a parallel and serial port that can be used simultaneously, delivering serial and parallel data rates of up to 921.6 Kbps and 1Mbps (respectively) to ensure optimum performance from your connected devices. Simple to install and use, the serial/parallel USB adapter is a cost-effective solution that bridges the connectivity gap between modern computers and legacy serial peripherals. Backed by a StarTech.com 3-year warranty and free lifetime technical support. Single cable USB to Serial and Parallel design enables two legacy devices to be connected to a host computer through a single USB port. Drawing power from the USB bus saves the hassle of carrying an external power adapter for the add-on ports. Support for Windows and Linux operating systems allow for simple installation onto many desktop and laptop platforms. Perfect for IT Administrators looking to add legacy functionality to newer laptops, desktops and servers that lack integrated RS-232 Serial and/or Parallel ports. Connect to console ports, UPS, and other devices in the server room/server closet. Connect, monitor and control industrial/automotive sensors and equipment. Connect bar code scanners, receipt printers and other point of sale devices. Connect a satellite receiver, serial modem, or PDA with serial sync.

Warranty	3 Year
Barcode	065030845113
Connector Type	2 x HDMI (Male) , 1 x 19-pin HDMI (Male) , 1 x 19 pin HDMI (Male)
Cable length	0.92m
Cable Colour	Black

Features

- * Easy to setup and install - plug and play for most operating systems
- * No external power needed - draws power from the USB connection
- * Thin, lightweight design
- * Supports serial baud rates of up to 921.6 Kbps
- * Compatible with modems, printers, bar code scanners, servers, PDUs, and most other serial RS232 or Parallel equipment

About Memory Express

Although we started out selling just Memory the best part of fifteen years ago, we have diversified organically over the years at the request of our customers. We specialise in Networking, Storage and Disaster Recovery and have the knowledge, experience and strategic partnerships to provide you with the service and value you demand - quality products, reasonably priced and delivered on time.

Memory Express can offer you a full range of installation and configuration services for hardware and software as well as detailed, accurate advice on all aspects of your IT projects. You'll be glad to know that we don't have a room full of school leavers trying to sell products they don't understand - all our staff are seasoned IT specialists and have an average length of service of over ten years. We won't just push you towards the solution we feel like selling; we'll help you to find the one you need.

Meanwhile, online, we offer one of the largest product ranges of any UK IT supplier. Showing near live stock, in depth product information and keen pricing, we're sure you'll find what you need. We also have matched memory upgrades for over 50,000 models of computer, server, printer, phone and camera, guaranteeing you the right memory, first time. All this is backed up by the same great service you'd expect when dealing with us over the phone. For our regular business customers, we provide T3, our corporate purchasing portal which provides a truly corporate focused buying experience.

We're conveniently located in Park Royal, London's Technology Business Park, allowing us to reach all areas of the UK quickly and efficiently. Many of our City based corporate clients benefit from same day delivery and we can offer next day delivery to established customers throughout the British Isles. Online delivery tracking and status information means that you need not worry about the whereabouts of your order.

We're proud to have built up a wide variety of partnerships with quality vendors and many of our staff hold certifications from top tier manufacturers including Microsoft, Acronis, Symantec and VMWare.

Our clients vary in size from SMEs to many of the UK's largest corporates, government departments, schools and universities, and we're pleased to say that most have been our customers for many, many years - we believe in long term business relationships, not turning a quick profit. Why not contact us now to see how we can help you get the quality of service they already enjoy?
