Specialty enclosures ensure reliable operation of your rack mount IT equipment in unique environments. Wall mount enclosures are designed for small hub and LAN applications in wiring closets and server rooms with floor space constraints. Seismic enclosures are heavy duty enclosures that can be deployed in Zone 4 regions that require the safety and ruggedness of an NEBS rated enclosure. Office Enclosures are specialized enclosures with integrated cooling, noise dampening, and power distribution for server and network applications in office environments.

Specialized enclosures with integrated cooling, noise dampening, and power distribution for server and network applications in office environments.

<b>Warranty</b>	Two years (manufacturer's defect).
<b>Barcode</b>	0731304294139
<b>Dimensions</b>	75.0cm (W) x 113.0cm (D) x 101.5cm (H) - Weight 138.0kg

### **Features**

- \* Lockable front doors protect IT equipment from unwanted access
- \* Acoustic foam lining for noise dampening: Superior noise reduction of installed IT equipment allowing the enclosure to be placed in a quiet environment
- \* Six vertical 0U accessory channels: Provides multiple mounting locations for cable management accessories and rack PDUs without using critical equipment space
- \* Removable side panels: Provides customers with easy accessibility to equipment
- \* Dedicated rear cable access point: Easy cable access near the rear of the IT equipment
- \* Integrated power distribution: Provided with a rack power distribution unit servers and other equipment are ready for deployment
- \* Integrated heat removal: High efficiency fan modules remove heat and eliminate the need to purchase a costly cooling unit for your IT equipment
- \* Adjustable leveling feet: Leveling feet can be quickly adjusted through the use of a screwdriver or drill, eliminating the need to reach underneath with a wrench. Enclosures are shipped standard with both leveling feet and castors
- \* Light oak veneer finish: The enclosure blends discretely into almost any office environment
- \* Two years (manufacturer's defect)

### **About Memory Express**

Although we started out selling just Memory the best part of fifteen years ago, we have diversified organically over the years at the request of our customers. We specialise in Networking, Storage and Disaster Recovery and have the knowledge, experience and strategic partnerships to provide you with the service and value you demand - quality products, reasonably priced and delivered on time.

Memory Express can offer you a full range of installation and configuration services for hardware and software as well as detailed, accurate advice on all aspects of your IT projects. You'll be glad to know that we don't have a room full of school leavers trying to sell products they don't understand - all our staff are seasoned IT specialists and have an average length of service of over ten years. We won't just push you towards the solution we feel like selling; we'll help you to find the one you need.

Meanwhile, online, we offer one of the largest product ranges of any UK IT supplier. Showing near live stock, in depth product information and keen pricing, we're sure you'll find what you need. We also have matched memory upgrades for over 50,000 models of computer, server, printer, phone and camera, guaranteeing you the right memory, first time. All this is backed up by the same great service you'd expect when dealing with us over the phone. For our regular business customers, we provide T3, our corporate purchasing portal which provides a truly corporate focused buying experience.

We're conveniently located in Park Royal, London's Technology Business Park, allowing us to reach all areas of the UK quickly and efficiently. Many of our City based corporate clients benefit from same day delivery and we can offer next day delivery to established customers throughout the British Isles. Online delivery tracking and status information means that you need not worry about the whereabouts of your order.

We're proud to have built up a wide variety of partnerships with quality vendors and many of our staff hold certifications from top tier manufacturers including Microsoft, Acronis, Symantec and VMWare.

Our clients vary in size from SMEs to many of the UK's largest corporates, government departments, schools and universities, and we're pleased to say that most have been our customers for many, many years - we believe in long term business relationships, not turning a quick profit. Why not contact us now to see how we can help you get the quality of service they already enjoy?
