HP t150 Zero Client for MultiSeat

Requires HP MultiSeat ms6000 Desktop with Microsoft MultiPoint Server 2010 (Academic Volume License).

The HP MultiSeat Computing Solution with the HP t150 delivers the most affordable Windows experience, now with support for additional USB devices and a new, streamlined design. Enjoy even greater productivity with support for two additional USB devices and a customizable, high-resolution Microsoft Windows experience in full 32-bit colour for every user. Create an simple, streamlined solution when paired with the new HP LE1851wt 18-inch power pass-through display, and power both devices with a single cord. The only fully supported end-to-end Microsoft Windows MultiPoint Server solution, you can be confident the latest OS security patches and updates will work seamlessly when installed. Add 2x the computing seats without increasing your budget by leveraging the excess capacity of a single PC to deliver a dependable computing experience to up to 10 users. Save even more with lower IT management costs. At only up to 2.5 watts per access device, multi-seat computing can greatly reduce power consumption. Plus, the solid-state HP MultiSeat t150 Thin Client also reduces environmental heat and noise by up to 90 percent over traditional PC environments.

Warranty	Protected by HP Services, limited 3 year standard parts and labour (3/0/0) warranty. Terms and conditions vary by country. Certain restrictions and exclusions apply.
Dimensions	11.17cm (W) x 6.50cm (D) x 2.82cm (H) - Weight 0.13kg

About Memory Express

Although we started out selling just Memory the best part of fifteen years ago, we have diversified organically over the years at the request of our customers. We specialise in Networking, Storage and Disaster Recovery and have the knowledge, experience and strategic partnerships to provide you with the service and value you demand - quality products, reasonably priced and delivered on time.

Memory Express can offer you a full range of installation and configuration services for hardware and software as well as detailed, accurate advice on all aspects of your IT projects. You'll be glad to know that we don't have a room full of school leavers trying to sell products they don't understand - all our staff are seasoned IT specialists and have an average length of service of over ten years. We won't just push you towards the solution we feel like selling; we'll help you to find the one you need.

Meanwhile, online, we offer one of the largest product ranges of any UK IT supplier. Showing near live stock, in depth product information and keen pricing, we're sure you'll find what you need. We also have matched memory upgrades for over 50,000 models of computer, server, printer, phone and camera, guaranteeing you the right memory, first time. All this is backed up by the same great service you'd expect when dealing with us over the phone. For our regular business customers, we provide T3, our corporate purchasing portal which provides a truly corporate focused buying experience.

We're conveniently located in Park Royal, London's Technology Business Park, allowing us to reach all areas of the UK quickly and efficiently. Many of our City based corporate clients benefit from same day delivery and we can offer next day delivery to established customers throughout the British Isles. Online delivery tracking and status information means that you need not worry about the whereabouts of your order.

We're proud to have built up a wide variety of partnerships with quality vendors and many of our staff hold certifications from top tier manufacturers including Microsoft, Acronis, Symantec and VMWare.

Our clients vary in size from SMEs to many of the UK's largest corporates, government departments, schools and universities, and we're pleased to say that most have been our customers for many, many years - we believe in long term business relationships, not turning a quick profit. Why not contact us now to see how we can help you get the quality of service they already enjoy?
