## **Datamax M-Class M-4206 II Direct Thermal Transfer Printer with Internal Rewinder 203dpi, 6 IPS Print Speed, 108mm Print Width, 8MB DRAM, 4MB Flash, Parallel Serial Ethernet**

No Image  
Available

The M-Class Mark II thermal barcode printer is a compact industrial strength printer series that offers the power and performance required in industrial environments, the reliability demanded in commercial applications and a small footprint when space is a consideration. It combines powerful standard features with a variety of flexible options to meet the broadest possible range of applications. The solid die-cast metal construction, large graphical display and modular design set the M-Class printer family a step above its competitors. The printers solid cast metal chassis and durable steel cabinet offer rugged and reliable performance. The easy-to-use graphical display makes navigation through the menus quick and simple for any level user. The modular design offers the flexibility to quickly replace parts in the field or install options to meet changing business requirements. The M-Class offers the best features and performance in its class.

<b>Mono or Colour Printer</b>	Mono
<b>Printer Resolution True</b>	203dpi x 203dpi
<b>Dimensions</b>	25.7cm (W) x 46.2cm (D) x 25.9cm (H) - Weight 12.2kg

### **Features**

- \* Direct thermal printing of bar codes, text, and graphics on demand and batch printing
- \* Thin film printhead with IntelliSEAQ (Sequential Energy Adjustment for Quality)
- \* Die-cast aluminum frame
- \* Datamax Programming Language (DPL)
- \* 32bit multi-tasking DragonBall Processor, (M-4206 100Mhz; M-4210&M-4308 150Mhz)
- \* 8/16 MB (M-4206/M-4210&M-4308) RAM memory
- \* 4/8 MB (M-4206/M-4210&M-4308)Flash downloadable program memory
- \* Serial RS-232 port, Parallel, USB
- \* IEEE 1284 compliant bi-directional parallel port
- \* Gap, notch and reflective top of form media sensing
- \* 5 button 128 x 64 LCD Graphical back-lit LCD display
- \* Configuration settings via front LCD panel menu

- \* No dipswitches
- \* Menus in English, French, Italian, German and Spanish
- \* Configuration label makes set-up easy to understand
- \* Simple ribbon and media loading
- \* Clear window in media cover -- easy to view supplies
- \* Media tear bar
- \* Fan-fold media handling from bottom or rear of printer
- \* AGFA font engine with CG Triumvirate scalable font
- \* Datamax printer driver for Windows 98 and above desktop operating systems
- \* Nine Bit-Mapped Fonts, rotatable 0, 90 180, 270 degrees
- \* CG-Triumvirate scalable Font
- \* CG Triumvirate condensed bold scalable font

## **Specification**

### **General**

The M-Class Mark II thermal barcode printer is a compact industrial strength printer series that offers the power and performance required in industrial environments, the reliability demanded in commercial applications and a small footprint when space is a consideration. It combines powerful standard features with a variety of flexible options to meet the broadest possible range of applications. The solid die-cast metal construction, large graphical display and modular design set the M-Class printer family a step above its competitors. The printers solid cast metal chassis and durable steel cabinet offer rugged and reliable performance. The easy-to-use graphical display makes navigation through the menus quick and simple for any level user. The modular design offers the flexibility to quickly replace parts in the field or install options to meet changing business requirements. The M-Class offers the best features and performance in its class.

### **Information**

We have very limited data about this product. Please contact us from more information.

# **Datamax M-Class M-4206 II Direct Thermal Transfer Printer with Internal Rewinder 203dpi, 6 IPS Print Speed, 108mm Print Width, 8MB DRAM, 4MB Flash, Parallel Serial Ethernet**

No Image  
Available

## **Printer**

Printer Type	Thermal Tape
Mono or Colour Printer	Mono
Technology	Thermal
Print Method	Thermal Transfer or Direct Thermal
Printer Resolution True	203dpi x 203dpi

## **Paper Handling**

Media Supported	Roll-fed or fan-fold materials, die-cut or continuous labels; perforated or continuous tag/ticket stock Internal Rewinder
-----------------	--

## **User Controls**

Status Display	128 x 64 Pixels LCD Graphics Display
----------------	--------------------------------------

## **Memory**

Memory Size	8MB DRAM
Flash (ROM)	4MB

## **Interfaces Ports**

RJ-45 Ports	1 x RJ-45
Serial Ports	1 x RS232
Parallel Ports	1 x Centronics Parallel Port

## **System**

Supported Bar Codes/Symbologies	Code 3 of 9, UPC-A, UPC-E, Interleaved 2 of 5, Code 128, EAN-8, EAN-13, HIBC, Codabar, Plessey, UPC 2 and 5 digit addendums, Code 93, Postnet, UCC/EAN Code 128, Telepen, UPS MaxiCode, FIM, PDF417, USD-8, Datamatrix, QR Code, Aztec, TLC 39, Micro PDF417, RSS
Drivers	Windows Printer Drivers
Font Capabilities	Ten alphanumeric fonts from .03 inch (0.9mm) to .25 inch (6mm) including OCR-A, OCR-B, CG Triumvirate smooth font from AGFA. Resident scalable fonts (M-4208 and M-4306)

### **About Memory Express**

Although we started out selling just Memory the best part of fifteen years ago, we have diversified organically over the years at the request of our customers. We specialise in Networking, Storage and Disaster Recovery and have the knowledge, experience and strategic partnerships to provide you with the service and value you demand - quality products, reasonably priced and delivered on time.

Memory Express can offer you a full range of installation and configuration services for hardware and software as well as detailed, accurate advice on all aspects of your IT projects. You'll be glad to know that we don't have a room full of school leavers trying to sell products they don't understand - all our staff are seasoned IT specialists and have an average length of service of over ten years. We won't just push you towards the solution we feel like selling; we'll help you to find the one you need.

Meanwhile, online, we offer one of the largest product ranges of any UK IT supplier. Showing near live stock, in depth product information and keen pricing, we're sure you'll find what you need. We also have matched memory upgrades for over 50,000 models of computer, server, printer, phone and camera, guaranteeing you the right memory, first time. All this is backed up by the same great service you'd expect when dealing with us over the phone. For our regular business customers, we provide T3, our corporate purchasing portal which provides a truly corporate focused buying experience.

We're conveniently located in Park Royal, London's Technology Business Park, allowing us to reach all areas of the UK quickly and efficiently. Many of our City based corporate clients benefit from same day delivery and we can offer next day delivery to established customers throughout the British Isles. Online delivery tracking and status information means that you need not worry about the whereabouts of your order.

We're proud to have built up a wide variety of partnerships with quality vendors and many of our staff hold certifications from top tier manufacturers including Microsoft, Acronis, Symantec and VMWare.

Our clients vary in size from SMEs to many of the UK's largest corporates, government departments, schools and universities, and we're pleased to say that most have been our customers for many, many years - we believe in long term business relationships, not turning a quick profit. Why not contact us now to see how we can help you get the quality of service they already enjoy?
