## **Creative Sound Blaster Tactic 360 Sigma Headset (Black)**

No Image  
Available

The Sound Blaster Tactic360 Sigma pro-gaming headset now lets Xbox 360 users experience the legendary Sound Blaster quality audio that PC gamers have enjoyed over the years. The inline stereo amplifier coupled with the Tactic3D headset equipped with powerful 50mm FullSpectrum Speakers deliver high-powered, heart-pounding gaming audio, along with crystal clear voice communication over Xbox LIVE. Powered by the Xbox 360, the stereo amplifier unit features individual voice and audio controls so you can take complete control of what you want to hear while gaming. There's no better time than now to take your gaming audio to the next level!

|                               |               |
|-------------------------------|---------------|
| Dual Earpiece                 | Yes           |
| Over Head Support             | Yes           |
| Speaker Frequency Response    | 20Hz - 20kHz  |
| Microphone Type               | Condenser     |
| Microphone Frequency Response | 100Hz - 18kHz |
| Case Colour                   | Black         |

### **Features**

- \* Conveniently powered via your Xbox 360's USB port, the inline stereo amplifier comes with integrated volume controls to adjust both game audio and incoming chat levels separately, letting you hear what matters to you most
- \* A high-powered, no holds barred gaming audio experience with massive bass and detailed highs - exactly how the game designers want you to experience the game
- \* The noise-cancelling microphone with chat volume control lets you communicate clearly while chatting over Xbox LIVE, and can be detached when not gaming or using voice audio
- \* The extra long tangle-free cable allows you to enjoy great gaming audio whether you're at your desk or lounging on the couch
- \* Disconnect the inline stereo amplifier and the versatile headset can be used as a powerful gaming headset for your PC or Mac as well
- \* Experience the difference of real audio expertise. The industry standard for audio quality on the PC is now also available for the Xbox 360
- \* A steel core headband ensures a precise fit, and offers maximum durability for marathon gameplay

### **About Memory Express**

Although we started out selling just Memory the best part of fifteen years ago, we have diversified organically over the years at the request of our customers. We specialise in Networking, Storage and Disaster Recovery and have the knowledge, experience and strategic partnerships to provide you with the service and value you demand - quality products, reasonably priced and delivered on time.

Memory Express can offer you a full range of installation and configuration services for hardware and software as well as detailed, accurate advice on all aspects of your IT projects. You'll be glad to know that we don't have a room full of school leavers trying to sell products they don't understand - all our staff are seasoned IT specialists and have an average length of service of over ten years. We won't just push you towards the solution we feel like selling; we'll help you to find the one you need.

Meanwhile, online, we offer one of the largest product ranges of any UK IT supplier. Showing near live stock, in depth product information and keen pricing, we're sure you'll find what you need. We also have matched memory upgrades for over 50,000 models of computer, server, printer, phone and camera, guaranteeing you the right memory, first time. All this is backed up by the same great service you'd expect when dealing with us over the phone. For our regular business customers, we provide T3, our corporate purchasing portal which provides a truly corporate focused buying experience.

We're conveniently located in Park Royal, London's Technology Business Park, allowing us to reach all areas of the UK quickly and efficiently. Many of our City based corporate clients benefit from same day delivery and we can offer next day delivery to established customers throughout the British Isles. Online delivery tracking and status information means that you need not worry about the whereabouts of your order.

We're proud to have built up a wide variety of partnerships with quality vendors and many of our staff hold certifications from top tier manufacturers including Microsoft, Acronis, Symantec and VMWare.

Our clients vary in size from SMEs to many of the UK's largest corporates, government departments, schools and universities, and we're pleased to say that most have been our customers for many, many years - we believe in long term business relationships, not turning a quick profit. Why not contact us now to see how we can help you get the quality of service they already enjoy?
